President Speaks

Hello fellow club members!

Happy August. Isn't it amazing how quickly the summer goes!! But August means it's time for our delicious, really fun Annual Summer Picnic! I hope to see you all there, and I hope there is a big turnout so we can hear all the fun stuff you have been doing all summer. Plus it gives others ideas on what to do too! So please join us.

Also, please consider a stint on the IAC council. It requires minimal effort, but it is a great way to help give the club direction and leadership. It is a great club with super people, and worth the small amount of effort it takes to serve on the council. Give it a

try!! Lastly, come join us at the picnic and help us give Jeff a huge pat on the back for his heroism this spring. He deserves it, believe me!! :)

Now Go Take A Hike! :)

Michelle

Old Business:

Preparation of old bulletins for CD scanning

On hold temporarily since Barb is out of town and other business has taken precedence.

Review/revision of by-laws

Hard copies of the current bylaws and the proposed changes will be available at the August picnic as well as on the web site. Comments from members are welcome and can be communicated to any council member. The club membership present at the August picnic will vote to either accept or reject the proposed changes to the bylaws. Ken will get an updated list of current members to George so an e-mail can be sent out to those with e-mail addresses reminding of the vote and including a copy of the proposed changes. Those members without e-mail addresses will be sent a hard copy of the proposed changes by regular mail. This will eliminate the expense of having to print and mail copies with or as part of the Bulletin. The membership list will also be used to determine if a quorum of members is present at the August picnic. Ken will recalculate the number of members needed for a quorum before the picnic. Vote will be by a show of hands. A notice of the vote will also be prominently featured in the Bulletin.

Trail Maintenance grants

Dave Woodcock from the Forest Service had contacted Michelle regarding the grants he applied for, for trail maintenance. He had indicated that he did receive one of the grants for the Chicken Springs trail section. He was invited to attend the July Council meeting, but did not arrive. The council will attempt to contact him again.

Award for Jeff Coward

The award for Jeff Coward has been completed, and is to be presented at the August Picnic. A motion was made to have the entire cost paid for by the Club. This was seconded and passed. Again, due to the obvious conflict of interest, Jeff did not vote on this.

Trip sign up forms

Jeff has prepared a preliminary draft of an information sheet that is designed to answer common questions that potential trip participants may have regarding the sign up sheets and release forms.

The draft has been distributed for comments before a final version is prepared. Any member with questions about the sign up or release forms is encouraged to contact a council member so that their questions can be addressed.

New Business:

Potential Council Member Candidates

The council reviewed the membership list for potential new council member candidates. Possible candidates will be contacted to see if they are interested. Anyone interested in being a candidate is encouraged to contact a council member.

Island Park Chamber of Commerce e-mail

Michelle received an e-mail from Gary Campbell, owner of Pond's Lodge in Island Park and a board member on the Island Park Chamber of Commerce. He is interested in promoting the area to other outdoor interest groups and users besides just the snowmobilers, and will also be organizing a winter carnival event for the second week in January. He was interested in possibly getting some input and assistance from our members. Michelle will send him an e-mail requesting additional information and specifics as to what he is looking for.

Administrative Business:

August picnic location Tim has reserved Sealander Park for August 3rd from 6:00 pm to 10:00 pm. A note will be sent to the Bulletin Editor to include the notice and info from last year. Memorial Day Raft Trip funds & forms

Ken has now received the funds and membership and release forms from the rafting coordinator for the annual Memorial Day raft trip. The release forms were given to the Secretary for filing.

August council meeting at: Michelle Benson's
1136 Clarence Drive August 16, 2005 7:30 pm

Meeting adjourned: 8:50 pm

Note: Minutes were submitted after bulletin was ready for press and have been squeezed into the bulletin

Upcoming Programs and Events:

September: Fall Birding

October: Sea Kayaking. Due to circumstances beyond the June speaker's control this has been rescheduled.

Reminder to Trip Leaders & Activity Coordinators

All participants on club trips or activities are required to read and sign the Idaho Alpine Club Common Adventure Release Form. Completed forms need to be returned to the Club Secretary.

Request for Council Member Candidates:

Any club member interested in serving on the Idaho Alpine Club Council is encouraged to contact any of the current council members. If you have ever wanted a chance to give something back to the club or to influence or be a part of making club decisions, the council is currently looking for potential candidates for the Fall elections. The amount of time needed to be a council member is not excessive, and the duties are not difficult. If you have any questions about becoming a candidate, please feel free to contact any current council member.

Climbing / Mountaineering

For climbing information unless otherwise listed, contact Eric Peterson, 529.9538 or Dennis Dunn, 523.8524, or climbing@idahoalpineclub.org.

** Eric Peterson will not be available for Wednesday Night Climb, leaders sought.

The Wednesday evening climbing will take place for 12 weeks this summer. The group meets at the McDonalds next to Fred Myers and departs at 6:00 sharp (according to the leader's watch – so be early). Climbers may meet at Fred Meyers for car-pooling or drive to the individual climbing sights on their own. If it is raining, the evening climbing is cancelled. Waivers will be available for signature.

Climbers will need to bring their own harness, belay device, and rock shoes. The club does not supply these items.

Bicycling Schedule

For any questions about these or other rides, contact Jeff Coward at 522-8135 or send an e-mail to bicycling@idahoalpineclub.org

August - Rigby Lake ride(s)

Date(s) for the summer rides to Rigby Lake have not yet been determined. This ride can really be done anytime, even during the week after work, since it is only about a 45 mile round trip.

Backpacking / Dayhiking

For trip information and to sign up, unless otherwise listed in the trip description, contact the Whithams at 520.1728 or backpack@idahoalpineclub.org.

August 7: Dayhike / Howard Creek Trail

The plan is to stay in Island Park after Ken Krivanek's Big Springs float. We plan to explore the Howard Creek trail FST 020 located off of Kilgore Road in the Ashton Island Park area on Sunday. The trail is approximately 11 miles round trip.

August 13 - 14: Backpack / Independence Lakes

We plan to leave town early on Saturday morning to travel to the trail head for Independence Lakes in the Albion Mountains. The City of Rocks is visible from a saddle between Cache Peak and Mount Independence. With a round trip of 7 miles, there will be plenty of time for bird watching, flower identification, fishing for grayling and rainbow trout if one has an Idaho fishing license, swimming (the lake is cold), and relaxing.

Rafting

For rafting trip information unless otherwise listed, contact Greg Hulet, 523-6199 or rafting@idahoalpineclub.org.

August 13, Alpine Canyon

(class III+). Contact Greg Hulet, 208 523-6199

August 6: Big Springs Float

Ken Krivanek (528-8224) is planning a canoe trip on August 6th in Island Park on the Henry's Fork River. The trip is a 5-mile long trip that will take 3-4 hours to float at a leisurely pace. We will meet at the Mack's Inn Raft rental outlet at 3 PM on August 6th. Mack's Inn does not take reservations for the canoes so we need to show up early to get the canoes before they run out. Anyone interested should be there at 3 PM. Canoes rent for \$27.50 and come with paddles and life vests. Each canoe holds 2 to 3 people or dogs. There are also 8 man rafts available for \$60. Mack's Inn does not have kayaks. If you are a paid up club member that has captained one of the club rafts before, you can rent a club raft if you want by contacting Greg Hulet in advance of the trip date. Mack's Inn will shuttle everyone to the Big Spring boat ramp where we will put in. We will have until 9PM to return our canoes to Mack's Inn rentals.

If you are interested, please call Ken to confirm your interest and attendance. Be sure to bring a cooler with beverages and food as you desire, sun screen, and bug repellent.
