### Old Faithful to Bechler Ranger Station Ski Trip Presentation

December 3, 2003 at 8 PM

Idaho Falls Public Library - Large Meeting Room

In late February 2003, Jerry Painter and Steve Bohrer embarked on a 32 mile ski tour of the Yellowstone National Park back country, beginning at Old Faithful and ending at the Bechler ranger station. Over the next four days, they encountered beautiful pristine scenery, sub-zero temperatures, frigid river crossings, and a now-famous lost ski incident. Jerry and Steve will be showing slides, sharing experiences, and some lessons learned from the trip.

The presentation is open to the public and all outdoor enthusiasts are invited to attend. For more information contact [programs@idahoalpineclub.org](mailto:programs@idahoalpineclub.org) or check out the club website at [www.idahoalpineclub.org](http://www.idahoalpineclub.org) or call D. Whitham at 520.1728.

## President Speaks

Ready for the snow? It's on its way so get those cross-country and backcountry skis tuned up and ready to go! While you're getting those ready, you may want to consider a little snowshoeing this year. There are usually several trips, planned and impromptu, throughout the season so invite yourself along for a little stomp in the snow.

I would like to thank the council and general membership of the IAC. It has been a privilege to serve as the vice-president and president for the past 4 years and I look forward to continuing to serve the IAC as a council member-at-large. I will be passing over the duties of president to the very capable hands of Garney Hardy and I know that she will receive the support of all of the IAC members and council.

Adieu and Happy Trails,

Tim

### IAC Bulletin Archiving Project

WANTED missing newsletters: As part of the historical preservation of Alpine Club documents we solicit help. "Club Historian" Barb Brown is trying to track missing issues of the Alpine Club Bulletin from the 1960s and 1970s.

If anyone has actually stashed bulletins from those years or any other publications including membership lists, please e-mail Barb at [barbara@srv.net](mailto:barbara@srv.net) or call 522-8977. We'll also be trying to round up electronic copies to help with the archiving project.

Garney Hardy says she passed a box along to a replacement secretary, probably in 1979 or 1980 that she thinks contained a collection of newsletters and notes. This material may contain some of the missing newsletters from the 1970's. If anyone knows the whereabouts of this box, please let me know.

Following are the missing issues from the early years (referenced are the president and newsletter editor from the year):

September 1964 (Dean Millsap; Barb Brown)

June 1967 (Boyd Norton; (Nadine Allen-Gale)

June 1974 (Cyril Slanksy; Barb Brown)

April 1975 (Larry Taylor; Barb Brown )

October 1976 (Joe Gasidlo; Mark Hoza)

January 1978 (Mark Hoza; Steve Letson)

July 1979 (Mark Hoza; Cathy Chisholm)

August 1979 (Mark Hoza; Cathy Chisholm)

There are missing issues from the 1990's but most are probably retrievable from George Cole's or Jeff Coward's files.

## **Cross Country Ski / Snowshoe Schedule For 2003 ~ 2004**

### **November 29 - Christmas Tree Cutting Trip**

Snowshoe or cross country ski to search out the perfect Christmas tree in Tie Canyon, which is in the Pine Creek Pass area. The location could change depending on where the Forest Service is allowing Christmas tree cutting this year. Forest service Christmas Tree permits required. They are available at the Eastern Idaho Visitors Center on Lindsay Blvd or the Forest Service Office on the Ririe Highway. (Permits were \$5 last year). Contact Mark or Donna to sign up and for the meeting place and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **December 5 -7 - Island Park / West Yellowstone Skiing (note location change)**

Join us in Island Park and West Yellowstone to explore the Brimstone trails at Ponds Lodge (Park 'N' Ski permit required) or to ski at Rendezvous Ski Trails in West Yellowstone (permits available at Free Heel & Wheel in West Yellowstone). Contact Mark or Donna to sign up and for the meeting place, weekend plans, and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **December 13 - Snowshoe Chick Trip**

Women's Snowshoe in Kelly Canyon and soak at Heise Hot Springs afterwards. Contact Donna to sign up and for the meeting place and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **December 30 - January 1 - New Year's Eve at Elkhorn Hot Springs**

A cabin (with indoor plumbing, but no bath or shower) has been reserved for the nights of December 30 & 31, 2003. For now at least, additional rooms are available at the Trail Creek Lodge for the group rate. Lodging includes hot pool admission (with shower facilities). Assuming at least 10 people are in our group, the lodging cost will be \$12 per person per night. The resort is at a trail head for cross-country skiing in the Beaverhead National Forest, and downhill skiing is available at nearby Maverick Mountain. Plan for your own breakfasts & lunches (or eat at the lodge), but bring something for a potluck dinner Dec. 30. We'll make reservations for New Year's Eve dinner at the nearby Grasshopper Inn, since they have had an excellent buffet in past years. Call Rebecca Smith at 528-6637 for details and to confirm your spot!

### **January 3 - Kelly Canyon Snowshoe Trip**

Join us to snowshoe in Kelly Canyon and soak at Heise Hot Springs afterwards. Contact Mark or Donna to sign up and for the meeting place and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **January 9 - 11 - Island Park / West Yellowstone Skiing**

Join us in Island Park and West Yellowstone to explore the Brimstone trails at Ponds Lodge (Park 'N' Ski permit required) and to ski at Rendezvous Ski Trails in West Yellowstone (permits available at Free Heel & Wheel in West Yellowstone). Contact Mark or Donna to sign up and for the meeting place, weekend plans, and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **February 21 - Harriman to Ponds**

Northeast of Idaho Falls in Island Park. Rolling intermediate terrain. Trail is rated as advanced due to the 12+ miles. A shuttle will be needed so those that would rather ski at Ponds or Harriman could drop off the rest of the skiers and shuttle the vehicles. We will be skiing this in reverse to avoid the afternoon winds across the meadows. Park 'N' Ski Permits will be required at either end and are available at Ponds or Harriman. End of the day potluck tailgate party. Contact Mark or Donna to sign up and for the meeting place and time, [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

### **March 12 - 14 - Yellowstone Rendezvous Marathon Race**

Test what a winter of XC-Skiing has done for your fitness level by joining us at the races. Freestyle or Classic 50k, 25k, or 10k XC-ski races can be entered by accessing the website at [www.rendezvouskitrails.com](http://www.rendezvouskitrails.com) Entry fees are \$50 until January 1, 2003, then increase monthly the longer you wait to make up your mind. You get a great t-shirt just for entering and there are 3 yummy food stations along the race course. For an additional \$15 you can attend the awards banquet (more yummy food and drawings for great prizes), in the evening after the race. If you don't want to race you can still just go up, cheer the racers on, ski on the course after the races have started, and attend the banquet for \$15. We plan to go stay in West Yellowstone on Friday and Saturday night (everyone will have to make their own lodging arrangements). Contact Mark or Donna for more information and where we will be staying at [xcski@idahoalpineclub.org](mailto:xcski@idahoalpineclub.org) or 520.1728.

REMEMBER TO RENEW

## **March 20 - 21 - Huckleberry Hotsprings XC-Ski / Snowshoe Winter Campout**

East of Idaho Falls near Flagg Ranch. Easy 2 mile ski or snowshoe in over mildly rolling terrain. Depending on the trip participants, we may continue on the additional mile to Polecat Hotsprings to camp and soak there. This is great snowshoeing terrain. This is also the annual celebration of Mark's birthday. Contact Mark or Donna to sign up and for the meeting place and time, [xcski@idahopalpineclub.org](mailto:xcski@idahopalpineclub.org) or 520.1728.

## **PARK 'N' SKI INFORMATION**

While we all would prefer to ski free, Park N' Ski permits have financed much of the cross-country skiing development in Idaho during the past several years. Purchasing a pass provides a funding source for ski clubs and agencies interested in maintaining and developing cross-country skiing facilities. Services offered to skiers vary from year to year depending on volunteer support, donations and revenue generated through the sale of Park N' Ski permits. Poor snow years and no support of the program often translate into low income, thus reduced services.

When you purchase a \$20 annual permit, or a 3-day temporary permit for \$7.50, the money is dedicated by law to be used exclusively for improving cross-country skiing opportunities. As such, the program has been widely supported by Nordic skiers statewide. When skiers purchase a permit, they are asked to designate a specific Park N' Ski area they would like to see improved. This gives skiers greater control over how and where the funds are spent.

**For more information about the Park 'N' Ski** Pick up a guide at one of the permit sellers in Idaho Falls, Pocatello, or Island Park. Two of the permit sellers in Idaho Falls are:

Idaho Mountain Trading 474 Shoup Ave Idaho Falls 523.6679

Eastern Idaho Visitor Info 505 Lindsay Blvd Idaho Falls 523.1012

**Of Note: Harriman State Park is no longer part of the Park and Ski Program as of this year and will require either daily permits or annual passes much like the Rendezvous Ski trails in West Yellowstone.**

## **Trip Reports:**

### **November 8 - Goldbug Hotsprings**

The last day hike of the season to Goldbug Hot Springs was one to remember. Debra Harrison, Tracy Larson, Deborah Wagoner, Bruce Wickham, Jan Wright, Jack Worrell, John Mott joined Mark and Donna Whitham for the two mile hike to a wonderland where steamy hot spring pools and cascades await. The springs sit midway up a canyon with a spectacular view and are usually quite busy this time of the year. We lucked out and had the springs virtually to ourselves, sharing them only with Steve, who comes up from Challis each year to join us. The brisk temperatures in the morning gave way to a pleasant, sunshine warmed day. A yummy dinner at the Ram's Horn on the way home topped off a relaxing trip.

## **Grant Applications**

### **Recreational Trails Program Project Funding to be Accepted Until January 30, 2004:**

The Idaho Department of Parks and Recreation provides a variety of grants to government and private entities in Idaho for the creation and renovation of outdoor recreational facilities.

Governmental entities and private organizations can apply for grant funding. All projects are reviewed by the Recreational Trails Program Advisory Committee, which makes recommendations to the Idaho Park and Recreation Board for final approval.

## **Eastern Idaho Resource Advisory Committee Seeks Project Proposals**

The Eastern Idaho Resource Advisory Committee (RAC) is now accepting project proposals for natural resource improvements on National Forest lands. Project funds have been made available under Title II of the Secure Rural Schools and Community Self-Determination Act of 2000. The law is commonly referred to as the Craig-Wyden legislation, and was enacted to stabilize the payments rural counties receive from the federal government for roads and schools. The RAC, which was established by the U.S. Secretary of Agriculture in response to The Act, will review proposals and recommend for funding the highest ranking projects on the Caribou-Targhee National Forests within Bannock, Bear Lake, Bonneville, Caribou, Clark, Franklin, Fremont, Jefferson, Madison, Oneida, Power and Teton Counties.

Title II of The Act allows counties to designate a portion of the payments they receive for natural resource projects benefitting our National Forests. Approximately \$66,000 was made available by the county commissions of Bonneville, Caribou, Clark and Fremont Counties for projects on the Caribou-Targhee National Forests. A citizen's panel (RAC) is accepting applications from any interested person or organization with a proposal to improve National Forest lands. The deadline for submissions is Friday, February 27, 2004.

Although The Act provides for a wide range of project types, projects must be on National Forests and/or benefit National Forest resources. At least fifty percent of all project funds must be used for projects that restore streams and watersheds, or maintain or decommission roads. Project proposals must be submitted on the Eastern Idaho RAC Project Proposal Form. The form and directions for completion are available at any Caribou-Targhee National Forest Office or on the Internet at <http://www.fs.fed.us/r4/caribou-targhee>. For more information or for assistance in completing the proposal form, contact Lynn Ballard or Joanna Bennett, by phone at (208) 524-7500 or by email at [lballard@fs.fed.us](mailto:lballard@fs.fed.us) or [jjbennett@fs.fed.us](mailto:jjbennett@fs.fed.us). "We hope there will be a variety of proposals for our RAC to consider," said Jerry Reese, Designated Federal Officer. "These projects will provide good opportunities to work with the counties and public in improving National Forest lands."

The next Eastern Idaho RAC meeting is scheduled for March 17, 2003 starting at 10:00 AM at the Caribou-Targhee National Forest Headquarters, 1405 Hollipark Drive, Idaho Falls, Idaho. All meetings are open to the public, with public comment permitted throughout the session. This meeting will be to make the first cut in applications that have been received. If your project is chosen for the second round, a second application will be sent to you and will need to be filled out and sent in by April 9, 2004. A final meeting will be held on April 28, 2004, where these project proposals will be presented orally to the RAC. A final decision will be made at the end of the meeting for project funding for Fiscal Year 2004.
