1. Meeting called to order at 7:40 p.m.
2. February minutes approved
3. Treasurer's report submitted to everyone
4. Old Business

Jeff had been looking into emailing the bulletin and had done a small sample email which worked fine but not yet ready to do a total member email and will let us know in the future when he is ready to "go" with it.

5. New Business

Julie Geng will give May program on hut-to-hut hiking in New Zealand and Norway.

Donna and Mark Whitham have tendered their resignations as Hiking and Backpacking coordinators - motion made and approved to accept their resignations. Sam Pole who was present at this meeting gave us list of proposed hikes for the coming season . After review and discussion Sam Pole was voted in as our new Hiking and Backpacking coordinator.

Ken had offered his resignation as Treasurer but we do not want him to resign and hope he will stay to finish his term.

A discussion was held about the fact that Krivanek's name had been inserted as the Hiking and Backpacking coordinator without his permission by the Bulletin Editor in the last bulletin and Bob Tyler said he would contact her on this issue.

Also, Bob will check with the library to see if we can get our old meeting day of the first Wednesday of each month back .

Refreshments for May 1 meeting will be provided by Teak Cummings. The next council meeting will be on 05/10 at Papa Tom's.
