4) Old Business:

New pictures printed for display booth, pins made for people working at the booth. The display ownership is in question and was discussed.

Crevasse rescue/snow school will take place about mid May.

5) New Business:

Chris proposed to charge \$2.00 for non-members to come to the meetings. Discussion followed. The topic was tabled until next month. This will be discussed briefly at meetings, at the picnic, at the membership and will be announced on Facebook if we decide to do it.

We also discussed raising dues. The issue is that each meeting costs the club about \$55 with room rental and the gift of a shirt or a gratuity. This expense plus the cost of the picnic and the pizza party is causing us to lose money. We don't have enough paying members to sustain these expenses.

Jason will promote the next meeting by sharing out Facebook announcement with Idaho Mountain Trading, the Edge, Peak and Yostmark.

The picnic needs to be discussed next Council Meeting.

Administrative Business:

May 1, 2019	General Meeting	club/council/members	No one will bring snacks

6) Meeting adjourned at 8:08 p.m.
