4) Old Business:

Publicity for 3 Peak's Mountain Bike Club

Donna Whitham contacted 3 Peaks about advertising their biking club, The Snake River Mountain Biking Group. They agreed that she can report their activities in the IAC Bulletins.

Publicity for Barbara Brown's Tuesday morning Biking Group

Donna also contacted Barb Brown about advertising her Tuesday morning biking trips in the IAC Bulletin. Barb was agreeable to this suggestion.

August IAC Picnic at Sealander Park

Al Jantz has reserved Sealander Park for the August 3 IAC picnic at 6:30 p.m. Donna has sent the donation of \$100.00 in to Sealander. Al will be bringing the refreshments, plates, cups, and tableware. Sam Pole will bring burgers, hot dogs and brats, as well as buns, condiments, and sliced cheese. Donna Whitham will buy two \$25 gift certificates, probably gas gift cards. She will also call our various supporting companies for possible donations.

Supplies for the IAC Climbing Group

Al Jantz said he still needs to discuss with Kevin Coble which supplies are needed by the climbing group. The IAC will be able to pay for supplies they need.

5) New Business:

Idaho Outdoor Journal Advertising the IAC

Sam Pole brought in a copy of the Idaho Outdoor Journal, which advertises events bi-weekly for Idaho outdoor groups and individuals. The Council members discussed whether we should consider being involved in this journal's advertising. There is a free trial membership, but the Council members do not want to be obligated in paying for membership in the future.

IAC Support for the Continental Divide Trails

Donna Whitham mentioned she was contacted by a representative of the CDTA. This representative asked for the IAC to support the CDTA as far as requesting right-of-way paths and easements for trails. Donna told this person that she needed to see a draft of their letter before we could support their cause. She has not received this letter as of yet. The Council members decided we would make a decision of support upon review of the letter in the future.
