Treasurer's Report

As of 2/28/07, total assets were \$3682.88 of which \$2922.50 were the rafting fund and \$760.38 was the general fund.

Ken has paid the postage escrow account for the entire calendar year and he has paid the library for room rental for the entire year.

Current membership stands at 65.

OLD BUSINESS

Bob will find out what kind of projector Jim Lee needs for the April program.

According to Garney Hardy, the Bonneville County recreation advisory committee no longer exists.

There was some discussion as to whether it was feasible to give members direct access to our website to post trips and messages. Jeff Coward and George Cole both felt it was too labor intensive because posting would have to be monitored daily to prevent spam and inappropriate material. Because of our club's small size, there would probably be few member postings yet the club website would have to be monitored on a daily basis which would be a lot of work for a relatively minor benefit.

NEW BUSINESS

There was no new business.

Ken Krivanek will provide the refreshments for the April 3rd meeting and Jerry Painter will host the next council meeting on 4/12/07.
