OLD BUSINESS:

Revisited calendar issue. Idea still seems good, Sandy will (try to) design calendar that can fit on top half of back page.

NEW BUSINESS

Meetings have moved back to Wednesday nights. No meetings in July and August

Teak will make arrangements for August Picnic, first Wednesday at Sealanders

Program for June is "Climbing. Future programs discussed. Tentative program in Sept. is David Richardson. Also discussed getting the "Nature Conservancy" in to present a program. Jo Ann will check and see if interested and if so, when available.

May's late newsletter was discussed and hopefully this was a one time incident. The club has saved a lot of money using this bulk mailing.

Paul McCarthy, a long time honorary member passed away and Jeff will take care of a card and a brief article for the newsletter.

Refreshments for June meeting – Jeff Coward
