

Idaho Alpine Club Council Meeting Minutes  
November 8, 2007

Attendees: Jeff Coward, Ken Krivanek, Sandy Pew, Jo Ann Sherwin, Bob Tyler and Judy Williams

Treasurer's Report discussed and approved

Old Business: Upcoming Programs for December 2007 we will have Pete Oslujd "Rowing to Alaska." We have also invited Mike Crapo to talk about the Owyhee Initiative but no confirmation on that yet. For February, we are coordinating a joint meeting with Greater Yellowstone Coalition to have Tom Turiano give a presentation - details and location are in the planning stage. There would possibly be an admission charge and we talked over giving a possible donation so our members could get in free or at a discount.

New Business: Bob wrote up a handout for our Activity and Trip Coordinators outlining responsibilities and we approved it and Bob will send it to each coordinator.

Should the club join the Greater Yellowstone Coalition? Discussion followed with no agreement but a possible future program could be a presentation from the GYC on what it is and does.

A suggestion was made that we have some membership applications available on a table at the ski club sale coming up in November and Jo Ann volunteered to put some out when is there to help out.

We discussed the Nov membership and election party and Jo Ann said some people were not clear on how we determined who are the officers and we decided we would make this clear in an upcoming Bulletin to our members.

Ken wants to confirm and reserve the library meeting room for 2008 for Feb, June, Sept, Oct and Dec and Bob will let him know on the Feb date.

Ken asked who has the LOGO and Decals and Jeff said he did and would bring him the Logo tomorrow.

Refreshments for Dec Meeting will be provided by Jeff
