Treasurers report was discussed and approved.

Old Business - The membership meeting will be in November at St Lukes Episcopal Church, 270 N Placer (corner of Elm and So Blvd). We will contact Program Coordinators and ask them for pictures and info on any of the activities held this past year. The Council members are to bring a potluck dish and provide the drinks for the party. Ken will take new memberships at this meeting. We all agreed on a prize of one free membership to the winner of a game Teak will provide.

The December meeting will be by Pete Oslund on kayaking in Alaska and we have invited Mike Crapo to speak in January on the Owyhee initiative.

The nominations to the council are - Teak Cummings, Norman Coyne, Jim McBride, Mark and/or Donna Whitham, and Holly Presler.

We discussed the current list of Council Resolutions and agreed to post them as shown.

New Business - Invitation from Greater Yellowstone Coalition to co-sponsor talk by Tom Turiano in February. we need more info on this so we tabled for now.

Ken wants to order 15 new shirts - we said if the price is right, go for it - also, he wanted to discount the long sleeve white shirts we have now to \$15 because they are so sheer no one wants them so we said ok to that also.

Bob is working on a handout for each activity coordinator so they are clear on their duties and he will have it by our next meeting.

The next council meeting will be at Sandy's home on 11/8.
